TECHNICAL SKILLS

Languages: Javascript, C++, Fortran, Python, Assembly Language, PHP
Tools: Git, Linux, Drupal, Wordpress, Open Journal Systems, React
Front End:HTML5, CSS, Javascript, jQuery
Backend: mySQL, Node.js
Data:R, Google Cloud

RELEVANT EXPERIENCE

Web Designer/ Developer/ Creative Consultant
2004 – 2017
Francis Wilkinson   London **/** Remote

Created and maintained several websites with HTML, CSS, PHP, MySQL, jQuery, Content Management Systems like Drupal, WordPress, & Open Journal Systems, basic Terminal commands, cPanel hosting platforms, Linux desktop and LAMP server environments, Google Apps & Analytics, and Mailing lists applications.

Key Accomplishments:

- *Many of the sites I worked on were for psychotherapy journals or psychotherapists in private practice. Collaborated with the editors to make materials easily available to readers online.*

- *Modernizing older content, I assisted in digitizing and updating some journal editions to make them searchable and editable using software packages like Microsoft Word, GIMP for image processing, and Adobe Acrobat.*

PROJECTS

Pathway │ **Site: https://ukjobpathway.netlify.app/**
            Github repo: https://github.com/franciswilkinson/Pathway

- *Used Netlify, VS Code, Github, React, Miroboard, Javascript, JSON, several APIs*
- ***App facilitates the job search process for the UK market***
- I was responsible for helping to build the Google Maps API component, App.jsx file, Team Page, Team Cards, and JSON

Anime Aura │ Site: https://franciswilkinson.github.io/anime-recommendation-app/
Github repo: https://github.com/franciswilkinson/anime-recommendation-app

- *Used Bootstrap, jQuery, VS Code, Github, HTML5, & CSS3*
- ***App recommends top anime titles from five popular genres***
- *I am responsible for the Hero section and the README file.*

European Journal for Qualitative Research in Psychotherapy (EJQRP) │ https://www.ejqrp.org/
- *Transferred older content of previous issues of the journal to the new website using Open Journal Systems*
- ***Transferred content to new website, edited journal issues to make them searchable, graphics and styling of site.***
- *Configured Open Journal Systems, Customizing CSS, GIMP, Adobe Acrobat*

International Journal of Psychotherapy │ https://ijp.org.uk/
- *Transferred older content of journal to website and CMS. The site has changed platforms, and some of the styling since I was working on it.*
- *Was responsible for customizing stylesheets in theming and organizing content.*
- *Collaborated with Editor and Graphic Designer*
- *Configuring Drupal on host with various modules and themes, CSS & HTML*
